

TÜV SÜD certified quality

LAMILUX HG 4000

INNOVATIVE FIBREGLASS SOLUTIONS

PRODUCT DESCRIPTION

Our premium quality LAMILUX HG 4000 combines the advantages of fibre-glass-reinforced composites with the look of lacquered aluminium. It also offers a smooth, high-gloss surface for the most exacting requirements regarding visual appearance. The surface is sealed with a gelcoat layer, thus providing very good resistance to ultra-violet light and weathering.

VERSIONS
